One year Foundation Course in Musical Theatre

thectc.co.uk

Welcome

The CTC was founded in 2009 and began its journey by offering summer workshops in a local school hall. Now offering full-time provision (**CTC Foundation**); a part-time training platform (**CTC Academy**); an in-house Agency (**CTC Management**); and award-winning full scale productions (**CTC Events**), the CTC has earned its reputation as one of the finest training centres in the East of England.

As a small college, students are carefully selected based on raw talent, passion and trainability – no student is the same and at CTC we encourage you to take ownership of your training within our pathway system guided by our expert faculty who are dedicated to helping you get the very best out of your training no matter what your background. CTC Foundation is a personalised training programme aimed to empower, expand skill-set and enable you to realise your full potential in all aspects of performance.

Our small class sizes actively uphold this ethos alongside a proactive pastoral support network, in conjunction with the Mental Health Charter for the Performing Arts: #time4change. As recent advocates of this innovative movement, we pride ourselves on our open door policy where welfare and happiness is of prime importance, inside the studio and beyond.

The CTC Studios are based in the heart of Suffolk providing a modern and vibrant training hub fully equipped for the specific needs of the Performing Arts. With sprung flooring, Sonos surround sound, costume wardrobe, a scenic workshop, floor

CTC Foundation does not specialise in one discipline, it lays the foundations of the triple-threat performer carefully balancing core technique training across acting, singing and dance whilst nurturing originality and creative flair. The course is carefully balanced between delivering focussed audition preparation, allowing students to develop technique and repertoire for further vocational training and preparing students with the physical and mental stamina for a life-long career in one of the most competitive industries.

We firmly believe that if you have the drive, determination and talent then the CTC will get you where you want to be and we very much look forward to welcoming you soon.

The CTC makes it possible and allows you to make it happen.

ABOUT CTC FOUNDATION

CTC Foundation is a one year, full time pre-vocational course in Musical Theatre for ages 16 – 24 years. Located in Needham Market, just off the A14, CTC Studios boasts **state of the art, purpose built studios** with fantastic public transport links and ample free parking on site.

We offer affordable, innovative, **triple threat Musical Theatre tuition** for those wishing to take their training to the next level and/or prepare for drama school auditions. As a registered LAMDA centre, the CTC offers students a **qualification in Musical Theatre** with an allocation of up to **126 UCAS points**.

The CTC recognises and celebrates individuality. Students are encouraged to make choices about their own personal development within our pathway system which allows students to specialise in acting, singing or dance depending on their individual strengths and progression throughout the course. **Our focus is YOU!**

At the start of the course all students will embark upon 6 weeks intense training with equal weighting across all three disciplines; acting, singing and dance.

Classes will include*:

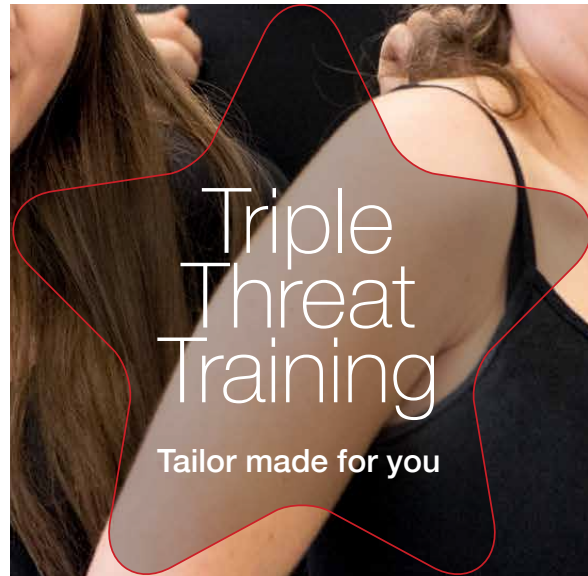

Actor's Text	1-2-1 singing lessons	Ballet
Audition Tech	A capella	Body Conditioning
Improvisation	Acting Through Song	Commercial
Monologues	Music Theory	Contemporary
Movement	Repertoire	Jazz & Jazz Tech
Voice	Technique	Musical Theatre

* with specialist workshops and tutorials in Acro, Pilates & Yoga, Mindfulness & Wellbeing, Tap, Acting for Camera, Voiceovers, Shakespeare and Contextual studies

Following assessments at half term, students will then choose their pathway for the next 6 weeks all aimed to provide a **bespoke, focussed and challenging training programme** for each individual student. Student Pathways are then reviewed every half-term until Easter before reverting back to an equal weighting for the end of year showcase rehearsals.

The CTC faculty consists of **fully qualified, professional and experienced teachers** all of whom specialise in their chosen field and offer aspirational and technical tuition across all three disciplines. With **mock auditions** and regular visits from **guest tutors** (current working professionals) throughout the course, students will gain a continual and invaluable insight into the Performing Arts industry.

★ Ruthie Henshall Scholarship

Awarded by CTC Patron, Ruthie Henshall

“When I first saw CTC perform I couldn’t believe these were all local school kids doing this in their spare time. The quality of the production and the talent of the children was fantastic. They are being taught with such passion and it shows. I am delighted and proud to be their patron and I salute Bridie for all she is doing to inspire and train the next generation of theatre talent so brilliantly.”

NEEDHAM MARKET

Needham Market is a quaint town set in the heart of Gipping Valley amidst the beautiful Suffolk countryside. Local amenities including supermarkets, cafés and restaurants are within walking distance from the studios along the town's historical high street. Needham Lake is a popular picturesque attraction for walks and picnics and is situated just behind the Studios; ideal for some fresh countryside air during the lunch break or at the end of the day. Student accommodation is also available within the town and the surrounding areas for those wishing to live nearby.

With excellent public transport links, Needham Market sits on the Great Eastern Mainline with hourly trains from all major towns including **Ipswich** (10 minutes), **Bury St. Edmunds** (25 minutes), **Norwich** (45 minutes) and **Colchester** (45 minutes). The studios are a short 10 minute walk from the train station.

CTC Studios are located 2 minutes from the A14, perfectly situated for access from all parts of the country via the A12, A120, A140, A134, M11 and M25.
